

TITLE SUPPORT SERVICES

Title Support Services is a mix of innovative solutions designed to help publishers cope with increasing uncertainty in the book market. Malloy's *Title Support Services* allows publishers to:

- Quickly and easily respond to spikes in demand
- Cost effectively restock inventory across a broad range of quantities
- Save time and money with automated transactions
- Eliminate unnecessary shipping & handling

Quick Response

- **Expedited Reprint Schedules***
 - As few as 3 days (paperback) and 5 days (hardcover) whenever needed without pre-scheduling.
- **Expedited New Title Schedules***
 - As few as 3 days (paperback) and 5 days (hardcover); once files have been cleared as print-ready by both the publisher and Malloy's Preflight department, and with prior approval from a Malloy CSR.
- **Guaranteed Schedules**
 - Malloy will have the job ready to ship by a specified date, or you will not be billed for the job.

*Premiums apply to Expedited Schedules. See the Guaranteed and Expedited Schedule Fact Sheet for terms and conditions.

Cost effective printing from one to 100,000 copies

- **Web offset printing**
 - Efficient down to 500 copies
- **Digital Short Run (DSR) printing**
 - Beginning at 24 copies--paperback, or 100 copies--hardcover
- **POD--currently in beta mode**
- **No upload fees** to move back and forth between offset and DSR
